

# TRAVEL AND MAIL STOP INFORMATION

100 MILE WILDERNESS

JULY 20 TO AUGUST 3, 2014

## ARRIVAL AND DEPARTURE INFORMATION

Plan to arrive at Boston Logan Airport between **10:00 am** and **Noon**. If you are from, or will already be in the local area, plan to meet at **12:00 pm** on **July 20** at the American Airlines baggage claim, near the baggage claim office. If you need to contact us on that day, please call 800.585.2523.

If flying, please check with your airline to make sure that you are aware of any excess baggage or unaccompanied minor fees. If necessary, please make arrangements to pay for this on the return flight. If you are flying as an unaccompanied minor, we can provide you with the name and contact information for your Instructor, who can meet you at your gate.

When arriving by air, wear your boots, check your backpack and duffel, and carry your sleeping bag – in the event your luggage is delayed. Wear your Williwaw T-Shirt so that we can easily identify each other (we realize it may not be height of fashion!). If flying in, we will meet you at your baggage claim.

For departure, make plans to leave between **12:00 pm** and **2:00 pm** on **August 3**.

If you are not flying, we will again meet at the American baggage claim office at **Noon**. Your son or daughter will be in touch the afternoon or evening before to confirm.

Please e-mail us your travel information when you have finalized your plans.

## MAIL STOP INFORMATION

We will have the opportunity to receive mail several times over the course of the trip. Keep in mind that if letters or packages do not arrive before the scheduled pick-up time it is unlikely that they will make it to us (but eventually will be returned to sender). When sending mail, address all letters and packages as described below and send by **U.S. Mail only**. We will check for mail on **July 24 and July 30 in Millinocket, Maine**.

<b>WILLIWAU ADVENTURES</b> C/O GENERAL DELIVERY <b>MILLINOCKET, ME <u>04462</u></b>
Attention "Student's Name"

Please note that **UPS, FEDEX** or other non-U.S. Postal Service letters or packages **CANNOT** be delivered to "General Delivery" at U.S. Post Offices, and we have no way of receiving them. Also, try to **avoid** sending **USPS Express Mail** and mail with **signature confirmation**, as it may be returned if not immediately picked up, and it could complicate delivery. Keep in mind that food & other heavy objects may be delayed, if mail is part of a limited-space re-supply.
